Page 8, line 8

INSERT New Findings of Fact No. 35, and renumber accordingly:

"The Company objects to Staff's recommended disallowance of the remaining balance on the loan to Mr. Lewis for the repair of Well No. 5. The Company argues that the repairs were necessary and if Mr. Lewis had not advanced the funds, the Company would have had to find a loan from an outside lender at a higher interest rate."

INSERT New Findings of Fact No. 36, and renumber accordingly:

"Although we appreciate the Company's position, we find that it has not met its burden of proof to demonstrate that the additional long debt it requests is in the public interest. We believe that ultimately Staff's recommendation will give the Company greater flexibility in the future."
